Juniper Tree

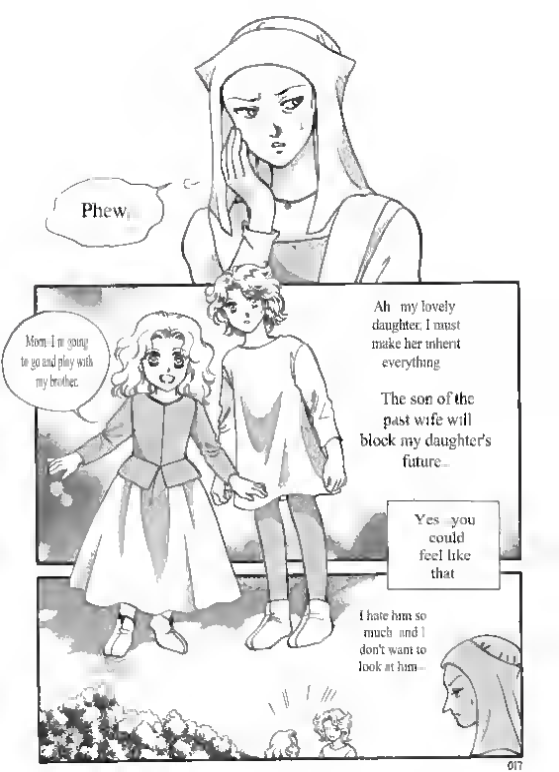
Mm...
Do you do some kind of magic here?
No... this place is where you experience fairytales virtually
What does that mean?
Ah, do you do some kind of exorcism and drive bad spirits away?
No, we don't do anything like that
You should go look for another place Goodbye

Old lady there s something here.
Is it true that you do something?
Are you trying to get more money out of me?
Haha., this place is really for having a virtual experience of fairytales.
013
Okay Then I'll do that
Do you really want to see one?
It might be unpleasant
Show me anything
I have to wait here until my husband comes anyway

Then I will show you 'Juniper tree'.
A very long time ago, maybe 2000 years ago,
There lived a rich man with a beautiful and devout wife. They loved each other but had no children
Hm... Is this a fairytale ?
What do you mean maybe 2000 years ago ?

Ah-
Ah. What if we had a child with lips as red as blood and skin as white as snow! That would truly wonderful!
The wife who said that under the juniper tree, had a baby soon after

The wife who ate the berries of juniper tree for 7 months told her husband..
Dear if I die, please bury me under the juniper tree
The wife gave birth a child and was so filled with joy that she didn't care that her life was the price
Why was she happy even though she was going to die?
The husband was sad to bury his wife but he soon remarried.
Huh?
He had a daughter with the second wife
What is this? This situation is just like mine



Phew...
Mom~I'm going to go and play with my brother.
Ah~ my lovely daughter. I must make her inherit everything
The son of the past wife will block my daughter's future~
Yes~you could feel like that
I hate him so much and I don't want to look at him~

That kid ..can something be done?
The devil entered her heart and made her hate the young boy
Ah mother
It s not because this woman is bad.
Sfx Thump
Ah—yes. That's it
The devil entered her heart and now she s like that
Why are you standing here like a fool? Can't you go away?
Sfx Slap
Ah-
I m sorry mother ..
Because of her endless scolding the boy trembled with fear all the time and had no place to rest after school
What what? Why is he scared?

Oh my, is your cram school already over?
You should play with friends. Why are you home now?
Look...my cram school teacher told me that you should pay for the lessons.
Oh my, what do you mean?!
I gave you the money already.
Didn't you use it?
No mother that was last month
Why are you lying?
I will tell your dad all about it
No, mother ...!
Shut up! Go to your room!
Aah...I hate him.
The child of a past wife is such an eyesore...

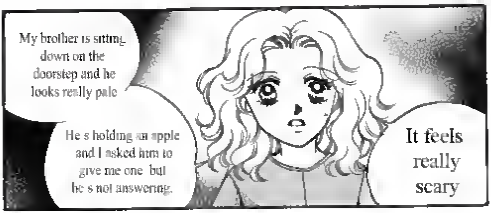
I want him to disappear
Can't he run away from home now?
Yes. I thought that.
That's because a devil entered my heart. yes
Mom, give me an apple
Oh. yes. You should choose
Wow!
Mom, can I give my brother one?

What?
Yes... we should.
...Huh?
Then give me the apple
We are going to eat it when your brother comes back home from school, so you can't eat it now
Eat it later
I'm home
Come here, son. Would you like to eat an apple?

Mo mother
Why are you looking at me with such scary eyes
Yes?
What do you mean? I asked you if you would like to eat an apple
Yes I would like one
The wife felt like somebody was ordering her to do it
You should choose one from this chest
Yes
Ah

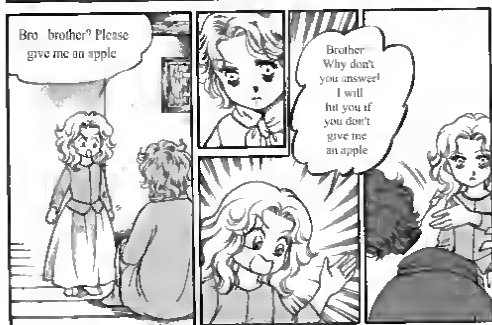
Bang
—?!
Yes now all the wealth is my daughter's
What ..what is this...?
Sfx Bleed
Ah
Ah...
Sfx Hurt

Wait This is what what should I do? If people find out...
Ah How can I make it look like I didn't do it?
Yes it is no sense for me to take the blame If something like this became known...
Stir. Grab
Ah brother give me an apple too
Brother?
Mom, Mom brother is weird!
Why?



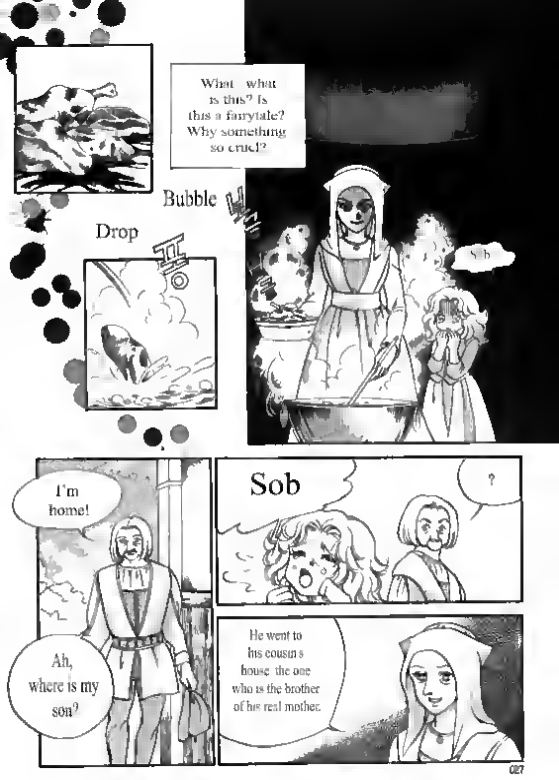
My brother is sitting down on the doorstep and he looks really pale
He s holding an apple and I asked him to give me one but he s not answering.
It feels really scary

No...you should try again and tell him to give you one
If he doesn't answer, slap his face



Bro brother? Please give me an apple
Brother Why don't you answer! I will hit you if you don't give me an apple

Kyaaaaaack!
Mom, Mom, what should I do? I...I broke my brother's head
Sfx. Shake Shake
What... what should I do?
Sfx. Shake Shake
Oh oh Marlen, what have you done?
...But you must be silent so nobody will find out.
Cry
It can't be helped, so I should boil hmm and make a meat broth
Ugh...



What what is this? Is this a fairytale? Why something so cruel?
Bubble
Drop
Sob
I'm home!
Ah, where is my son?
Sob
?
He went to his cousin's house the one who is the brother of his real mother.

Why did he go there? He didn't even say anything to me about it.
Mm, the smell is nice-
He must have wanted to go
He told me he planned on staying there for 6 weeks
Your brother in law will bring him home soon
Mm I feel quite sad for some reason.
He should have said goodbye to me He shouldn't have left me like that
Oh, this looks yummy
This is... the father is eating the son...

Dear, give me more I will eat all of it
It's perfect, like it was made just for me
Such horrible thing...this woman is worse than me
You can eat it all
Sob
It's so yummy
What will happen to this woman ..will she be safe?

Sfx Drop

To this woman...?
Mother...?
Why...why? I didn't wash my hair yet.
Yes... I am going to dry your hair when you wash it.
If this child is not here...three people in this family can live happily...

If this child is not here...
That time... at that time the devil entered me
Mother...?
Sfx: Splash
Kyaaaaack!
Someone please come!
Mom?
Our son-!

Ugh...
You don't look so good Shall we stop watching?
I've some headaches recently
I have to see the end of it
No, please show me more
This old woman ... why is she showing me a fairytale like this?
She's saying that she isn't a fortune teller but isn't something going on with her?
Okay... I have to see the ending anyway
What will happen to this woman?
Then I will show you the rest of it.

Sob
Brother this is the best silk handkerchief that I have
I am sorry ... brother

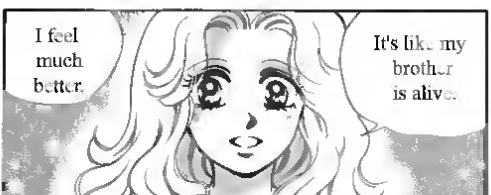
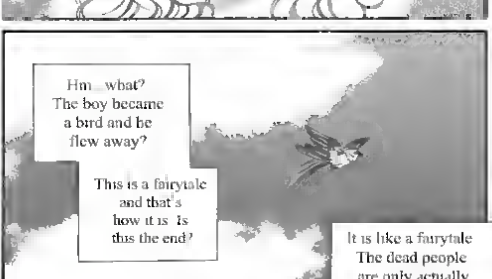
Hey- it's a
pretty bird-



I feel much better.
It's like my brother is alive.

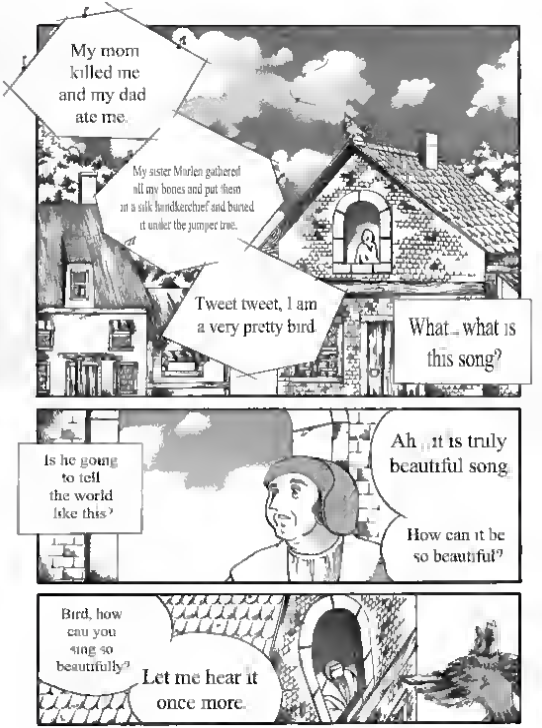


Hm... what? The boy became a bird and he flew away?
This is a fairytale and that's how it is. Is this the end?
It is like a fairytale The dead people are only actually dead in reality

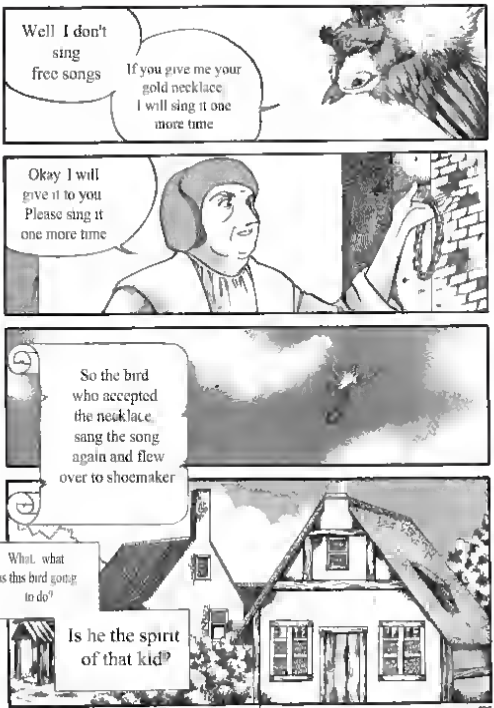
What's left are the people who are still living
Sob

Death is more complicated in reality.
Why did this happen? This is all because of me. He had an electric shock.
I didn't notice that he was playing with the hair dryer in the bathroom.
It's my fault. I should have noticed it earlier...
Then the child was playing alone at the time of the accident?
Yes, I was cleaning the kitchen.

How can you say you look after the children?
Yes, it is my fault. I was cleaning the kitchen and I didn't see it happen
You should go to the police station with me for an investigation
Huh? Isn't it over?
Huh? There is a beautiful song...



My mom killed me and my dad ate me.
My sister Marlen gathered all my bones and put them in a silk handkerchief and buried it under the juniper tree.
Tweet tweet, I am a very pretty bird.
What... what is this song?
Is he going to tell the world like this?
Ah, it is truly beautiful song.
How can it be so beautiful?
Bird, how can you sing so beautifully?
Let me hear it once more.



Well I don't sing free songs
If you give me your gold necklace I will sing it one more time
Okay I will give it to you Please sing it one more time
So the bird who accepted the necklace sang the song again and flew over to shoemaker
What what is this bird going to do?
Is he the spirit of that kid?

My mom killed me and my dad ate me. My sister Marlen gathered all my bones and put them in a silk handkerchief and buried it under the juniper tree. Tweet tweet, I am a very pretty bird
Ah... that song again. I don't want to hear it
Oh- this is a very beautiful bird song
Bird, won't you sing one more time?
Well, I don't sing free songs twice
You should give me something in return

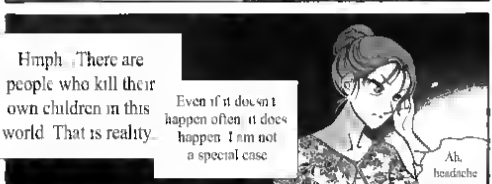
Dear, go to the attic and bring me the red shoes which are on the top shelf
Yes
So the bird who sings songs as payment flew over to the mill
Do those people want to hear song lyrics like that again?
Are they crazy? The song is so cruel that I don't want to hear anymore
This is a fairytale
My mom killed me and my dad ate me
Okay. Stop!

My sister Marlen gathered all my bones and put them in a silk handkerchief and buried it under the juniper tree
Stop it!
Tweet tweet, I am a very pretty bird.
Oh it is a beautiful song Bird could you sing it one more time?
Hmph the people are not interested in the lyrics when they hear it
Yes, it's somebody else's business,
And who would believe it?

Mom was in the bathroom.
Yuri Ah. I was in the kitchen.
I heard your brother screaming and ran to the bathroom.
Hm...then you didn't see your mom in the kitchen.
Huh...? Yeah yes
Yeah...I was watching tv at the living room and don't know...
What is this detective thinking about?
Maybe...he doesn't believe what the child says is right? Children usually don't make sense

I'm nervous because they want me to come to police station again today...
I should go with my husband. They can't possibly imagine what happened, right?

Ah... yes. It can't have happened...
Maybe this story was started with maybe two thousands years ago for that reason? Hahaha... they don't want to believe it.



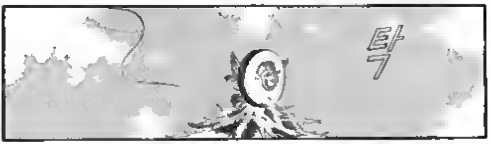
Hmph... There are people who kill their own children in this world. That is reality...
Even if it doesn't happen often, it does happen. I am not a special case
Ah. headache

You're not focusing...

Ah, yes It's just that bird song is repeating
This is the final scene
Show me the final scene
Well I can't sing songs for free If you give me millstone, I will sing it
So the bird, who got a big millstone from the mill, flew over to his father's house
Ha, how could a bird carry such a big millstone

This fairytale doesn't make any sense
Dear, how is it?
Why do I feel so good today? I feel really happy
Well.. I feel very nervous It's like a very scary storm will come
Did my brother really die?

Sfx Land



Ah I really feel happy The sun is nice outside I feel like I'm about to meet an old friend
Haha, this is strange
It is really strange Why is he acting like this? He isn't aware what his wife is feeling

Well ..I am nervous My teeth are shaking and it's like the blood in my veins is burning up
Why are you like that? I am becoming nervous too

Sfx Tweet

Sfx Flinch

My mom killed me,
And my dad ate me.
Ah ..I hate seeing that bird
Dear.. dear, don't go out It's like the whole house is shaking and on fire
Oh a beautiful bird is singing a magnificent song
I should go out
My sister Marlen~

She gathered all my bones and put them in a silk handkerch ef and buried it under the jumper tree
Tweet tweet, I am a very pretty bird
Oh
Dear, it is really a pretty bird
And look he gave me a very pretty gold necklace
Sfx Drop

My dad ate me.
Aah I want to go deep under the ground and not hear that song anymore
My sister Marlen
Aah, I hate that song I hate listening to that song
I will go outside too I want to see if the bird will give me a present.
She gathered all my bones and put them on a silk handkerchief and buried it under the juniper tree
Sfx Drop
Tweet tweet, I am a very pretty bird
Ah-

Mom, Mom, look!
I was so sad before I went outside and now my heart is much lighter!
That bird is really great It gave me red shoes
Yes
I feel like the world is going to end now
I should go outside and see if my heart will become lighter

Son-?
Brother-
So the son held hands with his father and Marlen, and all three of them were happy. They went inside and ate a meal together
What... what? What about the wife? The wife died-? Why doesn t that matter to you?
Is this really the happy ending?

Why is the end like this? They don t find it strange that the wife died...
How can a fairytale be so cruel? How can this be a fairytale?
This story ends like this
I told you that it might be unpleasant
Why are you showing me a fairytale like this!
Ah, my head hurts My headache is worse. I should go to a chemist.
You should...

Ouch...
Ah, I saw something useless
Was the story fun?

Goodbye
Now I won't see that woman anymore
Is it human instinct to check what they have done knowingly or unknowingly ?
Creak
There's been an accident, an accident-!
That woman got hit!

Really? How did that happen?
The woman ran in front of the car
Is it a suicide dad?
Is it a suicide ?
Hush! You shouldn't look.
But... Yun Ah... Is that true?
Mom was in the bathroom before your brother died
Yeah but mom said that she didn't do it
Yes...
Your mom is late
She is late...
